Our File No. 7703.26

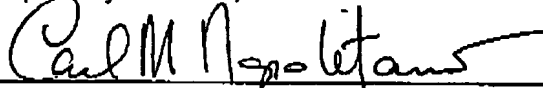

Examiner Harmon:

As indicated in the Response to Office Action of 06/26/2007, it is felt that a personal interview would help advance this application to an effective and efficient conclusion. I have made multiple attempts via telephone messages to set up an interview but without success and without you returning my phone calls. Based on my experience with other Examiners, I understand that you may be on other assignments or working from other than an office at the PTO.

As indicated in my last message of 11/30/07, the weeks of 10 Dec and 17 December appear to be acceptable to the Applicant, and in particular either Tues or Wed. We will be traveling from Florida and can arrange an early morning flight with late day return, thus meeting with you late morning. I will be out of my office until Thursday 12/6/07, but will be checking my voicemail (407-841-2330 X132) and email (cnapolitano@addmg.com) for messages.

Thank you for your interest and support in resolving this matter.

Respectfully submitted,

Carl M. Napolitano, Ph.D.
